Erratum to: Measurement of HbA1c in multicentre diabetes trials – should blood samples be tested locally or sent to a central laboratory: an agreement analysis

Barbara N. Arch¹, Joanne Blair², Andrew McKay¹, John W. Gregory³, Paul Newland⁴ and Carrol Gamble¹

Erratum

The original publication [1] is missing one reference in the reference list. This reference should be also cited within the text. This error was caused during typesetting. The publisher apologizes to the readers for the inconvenience caused. The correct reference and citation can be found here:

The Bland-Altman [13] analysis of agreement method was used to compare local and central measurements.
